## ◆ THE ANTINORI FAMILY ◆

The Antinori Family has been making wine for over six hundred years, since Giovanni di Piero Antinori became part of the Arte Fiorentina dei Vinattieri in 1385. Throughout its long history, spanning 26 generations, the family has always personally managed the business and today, remains entirely family owned. The Antinori Family reputation has grown throughout the centuries by making innovative, sometimes courageous choices, always with unwavering respect for tradition and the land.

Today Marchese Piero Antinori is President of the company, assisted by his three daughters, Albiera, Allegra and Alessia, who are personally involved in the business. Antinori has always been identified with the regions of Tuscany and Umbria, with vineyards planted in the most highly-suited areas for quality wine production. The qualities of tradition, passion and instinct have made Antinori one of the leading Italian producers of fine quality wines.

As well as the family's traditional heritage of estates in Tuscany and Umbria, investments have been made over time in other areas highly suited to quality wine production, in Italy and abroad, in a quest to promote new terroirs, rich in wine growing potential.
