NAPA VALLEY

❖ WELCOME ❖

ANTICA is a symbol for Antinori California and expresses in Italian our family's passion for winemaking passed along 26 generations.

NAPA VALLEY has a special place in my heart, beginning with my visit in 1966, having the free spirit coming from a new frontier, a wonderful history, and the potential to produce world-class wines.

Our wine estate is located on a high plain in the eastern mountains of the celebrated Napa Valley. Its hilly terrain, rocky soils, and beautiful landscape create above all an estate ideal for winegrowing.
