

TOWNSEND

VINEYARD

2018

Robert Parker Wine Advocate

Score: 92+ points

Composed of 92% Cabernet Sauvignon and 8% Cabernet Franc, the very deep purple-black colored 2018 Cabernet Sauvignon Townsend Vineyard delivers intense crushed blackberries, ripe black and red currants and fresh black plum notes with nuances of Morello cherries, pencil shavings, black olives and tobacco leaf with a touch of crushed rocks. Medium to full-bodied, the palate offers taut, muscular black fruits with loads of mineral sparks and a firm, chewy, rather rugged frame, finishing long and refreshing. *-November 5, 2020*

James Suckling.com

Score: 96 points

A full-bodied cabernet sauvignon that's fruity on the nose with notes of crushed raspberries, berries and herbs. Some bark and stones. The palate is fresh with velvety tannins and a generous, savory finish. One for the cellar. Try after 2023. *-December 16, 2020*

Jeb Dunnuck

Score: 95 points

The 2018 Cabernet Sauvignon Townsend Vineyard has a similar herbal/classic Cabernet nose of red and black currants, green tobacco, bouquet garni, sandalwood, and spring flowers. Also beautiful on the palate, it's full-bodied and has a concentrated, layered mid-palate, building tannins, and just an all-around classic, age-worthy style. Give bottles 2-4 years in a cold cellar and enjoy over the following 20 years or more. The blend is 92% Cabernet Sauvignon and 8% Cabernet Franc *-January 27, 2021*
